

## **SAFER WALKING PROFILE**

## Profile for the person at risk

The purpose of this form is to record information about the person you care for – this will be used by the police and search teams in the event that the person goes missing.

Once completed please keep this questionnaire in a safe place and give it to the police in the event of an emergency. This information will help the search teams to gather all the relevant information and begin searching.

Recording this information ahead of time and keeping it regularly updated will greatly reduce stress associated with trying to recall detailed information in an emergency situation.

If the person you care for goes missing, ring 111 without delay, complete as best you can the "Missing Now" section and hand to police when they attend your location.
